

On July 4, 1910 the International Society for Photogrammetry, now the International Society for Photogrammetry and Remote Sensing (ISPRS) was founded in Vienna on the initiative of Prof. Eduard Doležal. The ISPRS is a non-governmental organization devoted to the development of international cooperation for the advancement of knowledge, research, development education and training in photogrammetry, remote sensing and their applications, and to contribute to the well-being of humanity and the sustainability of the environment.

The Society's scientific interests include photogrammetry, remote sensing, spatial information and related disciplines, as well as applications in cartography, geodesy, surveying, natural, Earth and engineering sciences, and environmental monitoring and protection.

The Society's centenary will be celebrated on July 4, 2010 at its origin, the Vienna University of Technology. The festivities include an extraordinary General Assembly, an Afternoon Celebration, and a Gala Dinner. The centenary celebrations are framed by the ISPRS Commission VII Symposium following the celebrations and before by the German-Austrian-Swiss conference for photogrammetry, remote sensing, and spatial information science.

We are looking forward to welcoming you to Vienna in 2010

Norbert Pfeifer

Michael Franzen Wolfgang Wagner

Vienna University of Technology

Karlsplatz 13
A-1040 Vienna, Austria

Registration will be open from
February 1, 2010

Hotel Information

<http://www.vienna.info>

Social activities

Apart from the social events during the conferences sight-seeing tours will be offered as well.

1910 - 2010

CENTENARY CELEBRATIONS

July 4, 2010

Vienna - Austria

3-Ländertagung
(D-A-CH Conference)
DGPF - OVG - SGPBF
July 1-3, 2010

ISPRS Symposium
Technical Commission VII
July 5-7, 2010

3 – Ländertagung 2010 (D-A-CH Conference) DGPF - OVG - SGPBF

1.-3. Juli 2010
Technische Universität Wien

Tagungsthemen – Conference Topics

- Aus- und Weiterbildung
Professional education
- Auswertung von Fernerkundungsdaten
Analysis of remote sensing data
- Bildanalyse und Bildverstehen
Image analysis and image understanding
- Fernerkundung in der Geologie
Remote sensing in geology
- Geoinformatik
Geoinformatics
- Nahbereichsphotogrammetrie
Close range photogrammetry
- Radarfernerkundung und Flugzeuglaser
scanning
Radar remote sensing and airborne
laser scanning
- Sensoren und Plattformen
Sensors and platforms
- Standardisierung und Qualitätssicherung
Standardisation and quality assurance

Ausstellung – Exhibition

1.-2. Juli 2010

1910 – 2010 100 Years ISPRS Centenary Celebrations

July 4, 2010
Vienna University of Technology

information from imagery

The centenary of the ISPRS will be celebrated at the location of its foundation, the Vienna University of Technology.

Programme

- Centenary General Assembly
The Society will announce its Strategic Plan setting out its policy for the coming decades and announce new ISPRS Fellows.
- Afternoon Celebration
Distinguished speakers will highlight the achievements of ISPRS, its link to neighbouring disciplines, and future developments.
- Gala Dinner
The festivities will conclude with a Gala Dinner in the City Hall at the invitation of the Mayor of Vienna and featuring a significant international speaker.

ISPRS TC VII Symposium "100 Years ISPRS – Advancing Remote Sensing Science"

July 5-7, 2010
Vienna University of Technology

Scope

to provide a comprehensive overview of the major research areas in remote sensing, highlighting past achievements and identifying challenges for the future.

Conference Topics

- Physical modelling and signatures in remote sensing
- SAR Interferometry
- Information extraction from hyper-spectral data
- Methods for land cover classification
- Methods for change detection and process modelling
- Remote sensing data fusion
- Theory and experiments in Radar and Lidar
- Pattern recognition for remote sensing

Paper Submission Deadlines

November 28, 2009
Submission deadline for full-paper review
February 28, 2010
Submission deadline for abstract-only review
May 20, 2010
Submission of Final Papers
